Medical scratches: Medical scratch policies vary by host club. If your child is injured, please discuss modifications to the competition schedule with your child's coach. In cases where athletes are unable to compete due to injury, parents should submit a medical note to angie@phoenixgymnastics.com in advance of the competition so Phoenix can petition the host club for a medical scratch refund. As soon as Phoenix receives the refund, we will add a credit to your account. Meet fee refunds typically take 6-8 weeks to be processed.

All January meet registrations (Winterfest, Christy Fraser, Surrey and Twisters) have already been submitted. If you know now your child will not attend any of the February-June meets, please notify your child's coaches immediately. Meet registration revisions must be pre-approved by the Phoenix Competitive Program coaching team.
